

AGENDA

Networking Meeting

Faculty of mechanical engineering Kragujevac

29th november 2010

Monday 29th november 2010, Kragujevac	
9:30 – 10:00	Registration
10:10 – 13:30	Plenary session
	Project presentation Prof Dr Vesna Mandić
	Bulgarian ICT Cluster Peter Statev, Chairman, Bulgarian ICT Cluster
	M5 computations in production engineering and technologies Prof Dr Tomaž Rodič, NTF-UL, Slovenia
	Engineering approach to biomedical applications Dr Tomaž Šuštar, C3M, Slovenia
	Innovations in the development of micro-electronic components Prof Dr Goran Stojanović, Faculty of Technical Sciences, University of Nvi Sad, Serbia
13.30-15.00	Lunch break
15:00 – 16:30	Participants' presentations
	Bioengineering R&D Center Dr Aleksandar Peulić, University of Kragujevac, Serbia
	Serbian ICT Cluster Vukašin Pejović, Director of ICT Cluster, Serbia
	Technical University of Sophia Prof Dr Marin Hristov, Dean of the Faculty of Electronics
	Technical University of Sophia Prof Dr Vladimir Poulkov, Dean of the Faculty of Telecommunications
	University of Nis Prof Dr Oliver Vojinović, Faculty of Electronic Engineering, University of Nis, Serbia

	Advanced Control	Uroš Tomanović, Director of Advanced Control, Serbia
16:30 – 17:30	Discussion
